CIVIL WAGE AND PENALTY ASSESSMENT

Awarding Body Sunnyvale Unified School District	Work Performed in County of Santa Clara
PROJECT NAME Cherry Chase Elem. School New Modular Classroom Wing	Project No.
Prime Contractor Bruns Belmont Construction, Inc., a California Corporation	
Subcontractor Bruns Belmont Construction, Inc., a California Corporation	

After an investigation concerning the payment of wages to workers employed in the execution of the contract for the above-named public works project, the Division of Labor Standards Enforcement (the "Division") has determined that violations of the California Labor Code have been committed by the contractor and/or subcontractor identified above. In accordance with Labor Code section 1741, the Division hereby issues this Civil Wage and Penalty Assessment.

The nature of the violations of the Labor Code and the basis for the assessment are as follows:

Violation of Labor Code Section 1771 and 1774 for failure to pay the specified prevailing rates of wages to all workmen employed in the execution of this contract for straight time and overtime work specified in the Prevailing Wage Determination for Ironworker, 2007-1, Santa Clara County. According to the applicable wage determination, the double time rate should have been paid for work performed in excess of 8 hours on a Saturday. This resulted in penalties assessed pursuant to Labor Code Section 1813. The Travel and Subsistence provisions for Ironworker require subsistence to be paid if the jobsite is 50 or more miles away from the City Hall (list is in the provision) closest to the workers residence. 3 workers were not paid the proper amount of subsistence. In addition, the travel and subsistence provision requires a \$8.00/day congestion zone fee to be paid to the Ironworkers for work performed in Santa Clara County.

The attached Audit Summary further itemizes the calculation of wages due and penalties under Labor Code sections 1775 and 1813.

The Division has determined that the total amount of wages due is: \$294.07

The Division has determined that the total amount of penalties assessed under Labor Code sections 1775 and 1813 is: \$335.00

The Division has determined that the amount of penalties assessed against Bruns Belmont Construction, Inc. under Labor Code section 1776 is: \$0.00

Please refer to page 4 for specific withholding obligations pertaining to these amounts.

In accordance with Labor Code Section 1742, an affected contractor or subcontractor may obtain review of this Civil Wage and Penalty Assessment by transmitting a written request to the office of the Labor Commissioner that appears below within 60 days after service of the assessment. To obtain a hearing, a written Request for Review must be transmitted to the following address:

Labor Commissioner, State of California
Civil Wage and Penalty Assessment Review Office
2031 Howe Ave., Suite 100
Sacramento, CA 95825

A Request for Review either shall clearly identify the Civil Wage and Penalty Assessment from which review is sought, including the date of the assessment, or it shall include a copy of the assessment as an attachment, and shall also set forth the basis upon which the assessment is being contested. In accordance with Labor Code section 1742, the contractor or subcontractor shall be provided an opportunity to review evidence to be utilized by the Labor Commissioner at the hearing within 20 days of the Labor Commissioner's receipt of the written Request for Review.

Failure by a contractor or subcontractor to submit a timely Request for Review will result in a final order which shall be binding on the contractor and subcontractor, and which shall also be binding, with respect to the amount due, on a bonding company issuing a bond that secures the payment of wages and a surety on a bond. Labor Code section 1743.

In accordance with Labor Code section 1742(d), a certified copy of a final order may be filed by the Labor Commissioner in the office of the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The clerk, immediately upon the filing, shall enter judgment for the State against the person assessed in the amount shown on the certified order.

In accordance with Labor Code section 1742.1(b), the Labor Commissioner shall, upon receipt of a request from the affected contractor or subcontractor within 30 days following the service of this Civil Wage and Penalty Assessment, afford the contractor or subcontractor the opportunity to meet with the Labor Commissioner or his or her designee **to attempt to settle a dispute regarding the assessment.** The settlement meeting may be held in person or by telephone and shall take place before the expiration of the 60-day period for seeking a hearing as set forth above under the heading Notice of Right to Obtain Review. No evidence of anything said or any admission made for the purpose of, in the course of, or pursuant to, the settlement meeting is admissible or subject to discovery in any administrative or civil proceeding. This opportunity to timely request an informal settlement meeting is **in addition** to the right to obtain a formal hearing, and a settlement meeting may be requested even if a written **Request for Review** has already been made. Requesting a settlement meeting, however, does not extend the 60-day period during which a formal hearing may be requested.

If the assessment subsequently is overturned or modified after administrative or judicial review, liquidated damages shall be payable only on the wages found to be due and unpaid.
